

# Yanticaw Trucking Corporation—Your Snowbird Specialist

*As the winter months approach, bringing those cold windy nights, we find northern residents heading south for the season. That is the reason to rely on **YANTICAW** Trucking Corporation, a northern-based transportation company providing transportation to warm weather seekers for their personal vehicles, keeping away the delays and stress of driving. **YANTICAW** gives the opportunity to fly by air and their vehicle transport by land, both arriving in the sun for fun on the same day.*

***YANTICAW's** transportation department walks you through the procedures and details, and answers any question you may have. The following is a brief summary of our seven steps of transport.*

## STEPS FOR TRANSPORT

1. Deciding on a date suitable for pick-up
2. Making your reservation, payment or deposit and receiving a transport reference number for future use
3. Receiving Yanticaw's letter of confirmation
4. On the date of pick-up, our terminal will call for arrangements on a time for your vehicle to be picked up and transported to one of our many terminals.
5. The driver and you will fill out a vehicle condition report having both sign confirming a binding contract of agreement with the remaining payment to be due in full.
6. When your vehicle arrives at the destination point, you will be called for time of delivery.
7. When settled, call the transportation for your return in the spring and summer months.

*Fully Insured*

## SHIPPING PREPARATION

Wash your car to ensure that you get an accurate condition report.

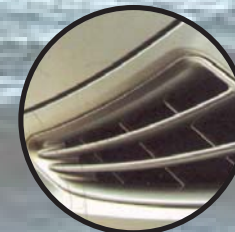

Remove all objects from inside the car so that nothing harms the interior.

Disable all alarms before your car is picked up for shipping.

Your fuel tank should be no more than a quarter full when we pick it up for delivery.

All custom accessories should be either removed or secured tightly.
